

Town of Chilhowie Fire & EMS Department

223 East Lee Highway
Chilhowie, Virginia 24319

Potential Applicants:

Thank you for your interest in serving with the Town of Chilhowie Fire & EMS Department. Providing fire, rescue and emergency medical services to our community can be a very rewarding experience.

Our website, www.chilhowiefire.org, has all of the necessary forms and instructions for applying for membership. Please complete the Department Application, DMV Information Request, and Criminal History Record. Return all completed forms to our Administration Building at 223 East Lee Highway. The Department will contact you for an interview. Immediately following the interview, you will be given a physical agility test. The details of the physical agility test are also available on our website.

Following the interview, physical agility test and acceptance by the Department's membership committee, you will be sent for a medical examination. Applicants who are found to be medically fit for duty will be placed on a probation period to comply with training requirements.

For questions concerning membership, the membership application process, training requirements or the probation period, contact the Membership Committee of the Department at 276-646-3131.

Again, thank you for your interest in our organization.
